

Evenlode Parish Meeting – 9th September 2024

CDC News

- The Government has launched a public consultation with respect to proposed changes to the National Planning Policy Framework (NPPF) – this will be open until the 24th of September.

Responses to the proposals can be made on-line, or by emailing:

PlanningPolicyConsultation@communities.gov.uk

CDC's proposed response is available to read on the Council webpage: [NPPF Response](#)

Key aspects of the updated policy include:

- Changes to Green Belt policies
 - Updates to the requirements for social housing within new developments
 - Housing supply requirements for Local Planning Authorities
- CDC have yet to confirm exact numbers, but initial estimates indicate that the new calculation will lead to a large increase in the number of houses that CDC will need to supply to meet government targets – from 504 per year to 979 per year.
 - The updated Stow NDP will be decided by referendum on the 26th of September.

Cotswold Crowdfund

Cotswold District Council has launched the Autumn funding round of its crowdfunding initiative. From cycle hubs to cricket clubs, playgrounds to street murals, if you have an idea for a project, you can make it happen with Crowdfund Cotswold.

Residents know best what is needed in their neighbourhoods, and have the skills and creativity to shape their local area and the future they want. Crowdfund Cotswold provides a springboard for locally-led ideas to attract funding more easily. Since its launch in 2021, Crowdfund Cotswold has supported local projects worth over £1 million. And now you can pitch for up to £10,000 from the Council to help fund your local community project.

The deadline for the current round of funding for the scheme is fast approaching on 16 October.

If you have ideas about a project in your community or want to learn more about the Crowdfund Cotswold initiative ahead of the funding deadline you can sign up to the Council's workshop.

The Project Creator workshop will be held online on Tuesday 17th September at 4pm. To sign up for the workshop see the Spacehive webpage.
